Sponsorship Opportunities

At CGC, we take pride in offering exceptional recreational and competitive gymnastic programs for youth across Stormont, Dundas, Glengarry and Akwesasne. CGC has been a second home to many young local athletes and has seen countless families enjoy and appreciate our sport. With your help, we can continue to provide local athletes the opportunity to develop in a sport they love.

We need your support as a sponsor in order to help keep our registration fees affordable so we can provide a fun and safe environment for all our gymnasts. Because equipment is very costly, we welcome support from everyone! Below are guidelines for sponsoring our CGC family, but any contribution is welcome. We will work with you and your organization to ensure adequate recognition for your efforts including a significant presence across our social media channels. If you are interested in becoming a CGC sponsor, we invite to contact us by email at cornwallgymnasticsclub@gmail.com and we will start the process.

** Banner advertisements are subject to approval.*

** Sponsorship contracts are valid for 1-year only- Platinum and Gold Sponsors excluded.*
